SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Alexandria, Virginia 22313-1450

Dear Sir:

Attached hereto are copies of PTO-1449 statements previously submitted in the above identified matter. Copies of the references marked with an "x" that were not heretofore available (except for the Hobson reference, which has been crossed out), are submitted herewith for the Examiner's consideration.

It is noted for the record that the PTO-1449 citations for the Picard and Mayr references were incomplete at the time of submission. The page numbers have been added in both of these citations by hand, and complete copies of the references are provided.

A check for the requisite fee of \$180.00 is enclosed. If any discrepancies in fee are noted, the same should be charged or credited to Deposit Account 02-2135. A duplicate copy of this transmittal letter is enclosed for that purpose..
